### Retirement from Queens Road Medical Practice

Some of you may be aware that I am retiring from general practice on December 31<sup>st</sup>, 2011. I will have reached the age of 65 and it is time to stop!

I have worked in general practice for many years and eighteen of them have been in Guernsey. I worked at St Martins from 1974-1983 & I have now been very happy working at Queens Road for the last nine years. I have enjoyed looking after you all-and apologies to any of you I have kept waiting when running late!

With the passage of time, you will need to re-register with another Doctor before I leave, in all of whom I have the greatest confidence and who would be delighted to continue with your care. Should it be more convenient for you, you could register at our 'Le Longfrie' surgery.

I will of course be pleased to see you until the end of the year.

I wish all of you all the very best for the future.

Yours very sincerely

Dr Hannah Laidlow
